“ *Dear Mayer Family,*

I was very sorry to hear of the passing of Your beloved Pablo. He and I graduated from Martin High School together in 1961. I cannot believe so many years have passed since I saw him. I love the photo of him that you have on the obituary page. I will always remember Pablo for being smart, courteous, positive, kind and fun as well. His smile has not been forgotten. In a class of 600 he is one of the outstanding classmates who worked hard to make important, Positive differences in our world. You must be proud of and I am happy for Pablo's success in all that he accomplished in his 76 years. I also truly honor his service to our Country, I am not surprised that he also influenced all the people that he touched and mentored in a most positive manner during his lifetime .Am sure that all of you also gave Pablo a great deal of joy and happiness. God bless each of you, as you try to deal with the loss of such a most special family member.

With sincere sympathy,

“ Dear Patty, We are all going to miss this guy. We had many a great and early on many not so great fishing trips. So glad he made the Port O'Conner fishing trip back in November 2017. While he didn't fish that trip, having him with the extended Pawlik clan was like being with the old Pablo. Lots of stories and lots of laughs for he knew us all. Never knew he was a member of the TAMU Freshmen Drill Team. Thanks for sharing. You and your family are in our prayers. Rob and Susan Pawlik
