

Patricia Moyer

November 7, 2020

“Every man has in himself a continent of undiscovered character. Happy is he who acts the Columbus to his own soul.” Stella Solaris

Patricia Moyer (86) died November 7, 2020 in her home at Colonial Oaks First Colony in Sugarland, Texas. Pat loved people and from an early age competed with her father to see who could not only meet the most people but also get their life story. It seems Pat may have won! Her welcoming spirit will be missed by her family and all who knew her.

Born in Burkburnett, Texas, she was a loyal alumni of UTPA & Texas Tech University. During her 50 years in the Rio Grande Valley Patricia worked for Region One, McAllen ISD as a supervisor and reading specialist, and was director of Hidalgo County United Way for 20 years.

She was a longtime resident of McAllen where she was an active member and leader of The First Presbyterian Church, Friends of the Library, Zonta, Master Gardeners, Leadership McAllen and many other organizations. She was also active at the state level with the Presbytery.

She is survived by her children; Kathy & John Hook, Carol & Wade Williams and Robin & David Kautz. She was especially proud of her grandchildren and great grandchildren, Hunter & Laura, Madeline, Everett, Erin & Mike Kelly, Connor, Zoe, Jewel & Kenneth Williams.

Donations to Alzheimer's Association or Star of Texas Hospice would honor her memory.

My condolences to Pat’s family. I knew Pat while she was married to Jim Moyer in McAllen. We spent time together there and at the Beach. It was clear she loved her girls and enjoyed life in McAllen.

Robin, condolences and prayers for you and your family. I remember fondly beach trips and times at the Presbyterian church with your mom. She inspired and guided many of us during those teenage years. May God's peace comfort you now and in the days to come.
