“ *I don't see my previous note, so I want to express our sympathies to your family again. We have so many great memories of Paula at our Stebens family reunions. Chasing after her little boy's Rusty and Randy as kids at the family reunions. Our girls had so much fun playing with their cousins. Paula was so proud of her boys. They are both great husbands and fathers. We're very sorry for your loss.*

“ *I am deeply sorry for your family loss, may you loving memories bring you a smile in the days ahead. Please know that your family and friends are here for you. (Proverbs 17:17). But, most of all for additional comfort please throw all you anxieties on God because he cares for you. (1 Peter 5:7)*
