“ *Rick Wecker was a very special Man and a very intelligent and empathetic Registered Nurse. I had the pleasure of working alongside Him, for many years. He had the ability to be a calming influence among Staff members when involved in emergent patient care. Rick was witty with a good sense of humor. His management skills as a House Supervisor were organized and effective, while dealing with multiple challenges in the Hospital system... Rick was a good friend...condolences to his family and friends... may he rest in peace*
