“ *I know that Bob is rocking and knocking at heaven's door, good memories of Bob. I remember the coaches asking Bob if he would like to play on the football team and Bob just look at him a little bit and calmly said no.*

He did park in front of my house to go see someone late one night and stop in to asked if it was OK for him to park there.

My condolences to his family and his friends.

I will always remember Bob as gifted musician. The short time that I was a member of the McFirst Praise Team with Bob leading I saw a true artist. It was amazing to ask work with computers to add to music. He had a fantastic "ear" as well as a great sense of humor. RIP Bob!
