“ *Our grandpa was a beautiful person from the inside out. Always there to help everybody. Always prayed for all of us. He will be so greatly missed. All the visits he drove so many miles and many times over the years to come visit us in indiana. Always had a fun story to share. Loved to drive fast that's for sure!!! He loved his flea markets and always loved to show us what watches he got that time. And could never forget his hats. How we are all gonna miss you so much grandpa. We love you and your legacy continues to grow.*
