“ *To Jim and families...I read of your mother's passing, and all I could see was the old place In Holton..Jim, you and I had many adventures during that time. We shared the alley, and a ton of experiences. I remember your mom quite well, from the old bowling days in Holton. It's a sad day in time as we lose our parents, and all the memories that go hand in hand...may you find peace, in the One that came so we could have peace...and may you find His comfort during this difficult time..Jesus Christ is our only hope...may God bless you...Gary Tollefson*
