“ *My memory is of the whole Cavazos and Mata families. There is never a shortage of love and respect for each other when they are together. In good times and trials of life, no matter how far apart they may be They work together tirelessly for the best outcome. Ruth was such a blessing as a daughter, sister, wife, mother and grandmother. May God continue to watch over her family as they find peace. Much love from the Jansky's and Boswell's.*

I had the pleasure of working many years with Ruth at Southwestern Bell telephone company. She was such a kind and caring person and always remembered those who were ill or in trouble. A kinder more loving person have I ever known. My heart aches for her family, who always came first with her. She she was a blessing to all who knew her and my life is certainly richer having known you, sweet Ruth.
