

Sally Jane Stocker

February 6, 2023

Our smart, fierce, loving, wonderful Sally Jane Stocker found peace this week. She was a force of nature and her legend and legacy will live on in our hearts. Sally was born to parents Martha and Warren in Texas. She spent her formative and college years in Washington, DC. where she met the love of her life - Bill Stocker. Their marriage in New Orleans was the wedding of the century. In 1975, they moved to McAllen to join Palace Cleaners, the family business, and welcomed Kelly and then Paul into the world.

Her favorite thing was being at the island with the wind in her hair and her toes in the sand. Sally loved jazz and French dinners and thunderstorms. She was a voracious reader and had lightning quick wit. She absolutely adored her grandchildren, Addyson and Liam. And she and Bill danced every chance they got.

She had friends all over the world, enjoying lifelong relationships with people from her college years in DC and organizations like the Southwest DryCleaning Association, McAllen Rotary, and the Port Isabel Yacht Club. Her impact on peoples' lives cannot be overstated and her kindness and generosity of spirit will be remembered by all who knew her.

She is survived by her husband of 49 years, Bill Stocker, her children Kelly and Paul, her daughter in-law Rebecca along with her grandchildren Addyson and Liam.

*Dear Bill, Kelly and Family,
It is with great sadness John and I received this news. Sally was such a personality and both of you shared a love for our girls and enthusiasm for life that we must all try to emulate. Thank you Sally for bringing our daughter safely home from school, for tailgates and memories that always bring smiles! If you are in Houston, you'll always have a place to hang your hat.
