

Stella Jean (Gina) Jenson-Conville

January 14, 2024

Stella Jean (Gina) Jenson-Conville passed on to the next life on 14 January 2024. She was born 13 January 1956 to Joe and Beatriz Jenson, an Air Force family. Throughout her childhood she lived and thrived in foreign exotic countries, such as France, Japan and Portugal until her family moved to McAllen. She graduated from McAllen HS and she started her professional secretarial career at age 18 until retirement at 62. She married Randall L. Conville in 1985, they were together until his death in 2021. The last years of her mother's life Stella was her devoted caretaker. Her siblings have never underestimated and valued her love, care and protection; a classic trait that an elder sister inherits. Her strength endured for 68 years; that passed too quickly; and in that short time she befriended many with her charismatic personality. She is survived by brother, John T. Jenson of Dallas, TX and sister Jacqueline D. Cochran of Charleston, SC. She will be interred aside her husband at the Texas State Veteran's Cemetery in Mission, TX.

“ *My beautiful, wonderful sister, losing you cannot be expressed. I know she had many, many friends scattered across the country. I wish I had known them better to share in the burden of our grief. She is with her beloved now and I know that is where her heart longed to be.*

Hello. My name is Brandy Davidson. I have JJ now after picking her up from Prefect Paws in McAllen Texas. After hearing the passing of her mamma I decided to pick her up and give her a loving home. Please feel free to contact me. I will be happy to share JJ's progress and pictures. She is a sweet girl, and I love her so much already. Condolences to Gina's family and friends. She can rest knowing that JJ is safe and loved.

It is so comforting to know JJ is in a loving home. Gina was my very good friend and she loved her Lady JJ (as I called her) so very much. God bless you! Thank you for loving her.
