“ Steve made it to my wedding in Key West, Florida. He was so happy to be there! He was amazingly kind and thoughtful and reached out often to say hello. I have fond memories of our cousin crew playing hide and seek in Grandma's basement when we were kids. His laugh was infectious and he told great stories! Steve was a wonderful man who has left a lasting impression on my heart. He will be missed immensely. ❤️

“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.
