“ I fondly remember in high school all the GREAT times I had at the HUNTER home. We always had so much fun and got into alot of trouble too!! Sue treated me just like one of her own and I'd get into trouble and reprimanded just like Billie Sue. Sue was fun to be around and always made me feel like their home was mine too. Always outgoing & smile upon her face. You left me with so many of the WONDERFUL memories that I look back on when I was growing up. You are LOVED and will be MISSED by so many who were fortunate enough to have had you touch their life's! Cindi Easley Robb
