“ *My sincere condolences to Tony's family on their loss. I first met Tony when my husband and I moved to the Los Fresnos area in 2013. We were looking for a bank and when we met Tony we knew we had found what we were looking for. Every time we would call or visit the bank, he greeted us like we were his best friends. Tony always had a smile and a story, loved to talk about his car and hear about our motorcycles. His smile was infectious and he always had time to talk. Although he has left us, his memory will remain forever in our hearts. Rest in peace, Tony. We were blessed to get to know you!*

“ *My Sweet Precious Tony,
We're all still in disbelief. We can't believe you're truly gone.
Every place we ever walked and
Everywhere we talked, I miss you
You never leave my mind
So much of you is left behind
... You took my days with you
Took my nights with you
... Those unfinished conversations
I need you to hear ur voice speak to me
I write you letters every day
That I'll never send and you'll never see
All this wishful thinking
Gets me nowhere,
Though my heart is broken
It keeps breaking every day
... You took my hopes with you
Took my dreams with you
... I keep thinking that you'll be calling
And I can't accept it yet
I'm not ready to just give in
I know that I can't live in this pain
With these feelings of regret
I can't comprehend this
And pretend that I don't care
Any place I wanna be
I wanna see you there
... You took my world with you
Took my love & my life with you
We all know you'll be watching over all of us, and continue to
protect & guide every step of the way.
Our friendship started out 5 years ago so innocently and true and all
those precious moments we shared will stay with me until we meet
again.
All ur pain and frustration are gone now... But, we'll see each other
someday and we will pick up exactly where we left off.*

Fly High my Precious Angel! Fly High.

I will wait for you.

All my love,

Coco
