

## Wendy Lynne Higdon

November 30, 2025

It is with deep sorrow that we share the passing of our beloved mother, sister, daughter, aunt, niece, partner, and friend to many, Wendy Lynne Higdon, on November 30, 2025. Born on November 24, 1967, in Los Angeles, California, to William Terry Higdon and Kathleen Parkhill Higdon, Wendy is survived by her father, William Terry Higdon (Rosario) of McAllen, TX; her sons, Benjamin Christopher Leveck of San Antonio, TX, and Christian Alexander Hernandez (Dafne) of Edinburg, TX; her siblings, Margaret Ann (Maggie) Higdon Marcelli (David) of Ewa Beach, HI, William Jared Higdon (Veronica) of San Antonio, TX, and Mary Katherine "Katie" Higdon of McAllen, TX; her godmother and aunt, Kristine Parkhill Lovell of La Quinta, CA. Wendy also leaves behind several nieces, nephews, great-nieces, and great-nephews whom she loved dearly. She was also deeply grateful for the care and support provided by Linda Partridge, her dedicated provider and cherished family friend, who offered comfort and assistance in recent years. She is also survived by her long-time partner, Fred Acevedo of McAllen, TX. She was preceded in death by her dear mother, Kathleen Parkhill Higdon.

Wendy attended Our Lady of Sorrows Catholic School and graduated from McAllen Memorial High School in 1985. She enjoyed a long career in the mortgage lending industry, working in McAllen and San Antonio before returning to settle in the Rio Grande Valley, where she lived until her passing. Wendy was a friend to many and loved attending concerts, listening to live music, playing card games and cherishing good times with friends and family.

She will be greatly missed. Her family and friends take comfort in knowing that Wendy is no longer in pain and is now in the loving arms of Jesus Christ, reunited with her mother, Kathi, and dancing in the heavens.

Visitation will begin at 10am with an 11am Service on Monday, December 15, 2025 at Kreidler Funeral Home in McAllen. Inurnment will follow at 12pm at the Mausoleum in Roselawn Cemetery in McAllen.

Rest in peace, sweet Wendy. You will be forever remembered and deeply missed.

“ Omg my friend of what seems like forever! I will always remember your heart you had the heart of gold. You would give anyone the shirt off your back you were one of the sweetest kindest people I have ever known. I will cherish the memories of us dancing around my living room, listening to music, to our crazy days crossing the border to go to Eddie's. To our awesome days with our kids by the pool barbecuing to the many wonderful times we shared together. I will miss you so much my beautiful friend. I know your momma welcomed you to heaven so I am comforted knowing you are with her again. Rest in peace Wendy until we see each other again you will always have a piece of my heart with you. Love you

“ Wendy! I love you girl, forever and always!! You came into my life, not by accident-this I could bet on, on the powers that be. Two California girls at heart in the RG. Your friendship has meant the world to me and I will cherish your precious memory until it's time that we meet again. I have a story to write for the few years we knew each other...that's the extent our friendship manifested to. I will miss you but I will continue to hold you near and dear to me. Please watch over me from up there when you can because I know you will be living it up with all your family and friends. Continue to smile, laugh, as always. Good times and good vibes. You are at Peace and in Paradise. Love you Wendy. -Rose Mary

“ My dear, dear friend since we were 15. She enjoyed my Quince so much and from then on we were together at school, after school and every weekend. That was 1982. We had our kids at the same time, Ben is my gorgeous Godson. Now I step up for him. Maggie told me you passed at 2 am on Saturday and I thought I was going to die. I just sang Happy Birthday to you. Who am I going to talk to? Who is going to give me advice. I'm going to miss our weekly calls. I'll catch up my friend more like my sister. I'll see you on the other side. I just can't believe you're gone. I love you and I will miss you but think of you often. Always Cris Gracia Carreon.

“ Wendy was my friend and neighbor . On Sunday Nov.23rd I cooked a meal for her birthday, Monday the 24th. She and Fred were watching the Cowboy game so I stayed a while she was having a good time enjoying dinner and cheering for the Cowboys. Wendy called me Daisy's godmother her precious chihuahua. I will always cherish her freindship. My condolences to all the family members and Fred. Berta Burleson
