“ *Wilma was a very special person. I was a student in her Precept Bible Study and we team-taught for several years. It was a pleasure to work with her. After she had to give up leading I took over for her. I had always wanted to just lead and have someone else take care of all the details--Wilma did that for me and did a wonderful job. I will really miss her but am comforted in knowing that she is with Jesus. You all are in our prayers.*
